Helping facilities across the United States cope with the increasing nurse shortage through international temp-to-perm and permanent placements.

Tell us what you need and our expert staff will find the best match for your facility.

O'Grady Peyton International is the international division of AMN Healthcare and is the largest and most experienced international nurse staffing firm in the United States. Our goal is to assist you in meeting your staffing needs as quickly as possible with qualified nursing professionals from outside the borders of the United States who fit your specific requirements.

## Excellence in Service

The expertise of our veteran team enables us to better place the right nurse with your facility and to provide you with the professional, personalized service you deserve.

At O'Grady Peyton International, fulfilling your needs is our number one priority. Our staff is dedicated to exceeding your expectations for customer service and quality management and helping you find effective solutions to your nursing staff needs.

For more than 30 years, O'Grady Peyton International has successfully matched the needs of nurses and allied health professionals with the demands of our client hospitals throughout the world.

## Experience

Since 1981, O'Grady Peyton International has placed thousands of English-speaking nurses in health care facilities throughout the U.S. With offices in the United States, we're structured to get qualified candidates to their destinations and fulfill hospital staffing needs.

## The World's Best Nurses

When you partner with O'Grady Peyton International, you access the largest supply of quality international nurses from around the world. Our process for selecting international nurses is precise and thorough. Each of our international nurses speaks English, is carefully prescreened, has excellent references, a high level of competence, outstanding clinical skills and an average of nine years' experience in U.S.-type acute care facilities. 75% are BSN prepared.

Our nurses arrive as permanent U.S. residents, have passed the NCLEX examination and are fully licensed. In addition, all of our nurses have met our enhanced training requirements on U.S. nursing practices and cultural perspectives.

**Averaging more than nine years' experience in U.S.-type health care facilities, our international nurses provide first-rate care and can help facilities overcome the most critical staffing challenges.**

You can rely on O'Grady Peyton International to handle the following:

- Nurse recruitment
- Pre-screening
- Education
- Licensure
- Immigration
- Pre- and post-arrival support
- Relocation

## We Set Our Nurses Up for Success

Our nurses are ready to begin working when they arrive in the United States. We handle all the qualifying and placement needs of international nurses so you don't have to. We also offer ongoing clinical and acculturation support as well as free continuing education programs.

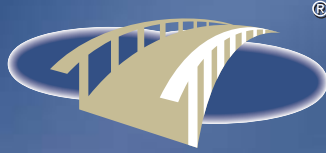

### O'Grady Peyton International nurses are:

- Carefully pre-screened
- Fluent in English
- Highly recommended by previous employers
- Highly skilled in their specialty
- Exceptionally qualified
- Matched to your specific needs
- State licensed RNs
- Permanent U.S. residents (green card)

## We Provide Ongoing Support to All of Our Nurses

O'Grady Peyton International helps make the transition to the U.S. an easy one for nurses and their families. We offer comprehensive clinical and enculturation training and pre- and post-arrival support to all of our nurses throughout their transition. Additionally, our "meet and greet" program helps nurses get acclimated to the community—they will be comforted and less anxious about their assignment knowing that their first point of contact is friendly and helpful.
